**RE: THE REVIEW OF THE SABC EDITORIAL POLICIES**

Dear Ms. Mohlala

The SABC is currently reviewing the Corporation's Editorial Policies and has recently completed Public Hearings into the current policies. The hearings were not the only opportunity for members of the public to participate in the process as we are also accepting written submissions on the policies. The deadline of for these submissions was set for Friday, 13th December 2013.

The SABC has received a number of requests to shift the deadline for submissions. In order to accommodate these requests the SABC has moved the deadline for submissions to Friday, 24th January 2014. The submissions can be made electronically – [editorial@sabc.co.za](mailto:editorial@sabc.co.za) – or more traditionally: Editorial Policies, Pvt Bag X1, Auckland Park, 2006.

The SABC will also provide an opportunity for all those who wish to make presentations on their submissions to do so. These presentations will be heard at the M1 Studio in Radio Park at the SABC's Auckland Park offices on 24th January 2014. Should you wish to make a presentation please let us know by 21st January.

Following the submission deadline, all inputs will be collated and will be used to inform a draft Policy which will also be released for public comment.

We look forward to receiving your continued participation in the process and to receiving your inputs. Should you have any queries please contact Ms. Gugu Xaba on 011 714 2104.

Thank you and best regards,

Yours Faithfully,

Graham Welch
